

## HOW TO FILL OUT AN ORBITAL DATA REQUEST (ODR)

**NOTE:** When submitting a request for specialized website access, all individuals must have a valid user account on [www.space-track.org](http://www.space-track.org). If access for multiple users is required, please submit one ODR with all of their Space-Track.org usernames in Box 5 or an attached appendix.

### **BLOCK**      **ENTRY**

- 1 Show date of preparation in the "DDMMYY" format.
- 3 Name and full address of the requesting agency
- 4-5 Management / Technician Level POC's. Please provide full contact information.
- 6 Cite the U.S. government contract title or common name and branch of service this request is supporting.
- 8 Give a brief description of the project, what data is requested, how the data is used, and an end result of the use of the data.  
**For redistribution requests**, please include distribution list, purpose of redistribution, and examples of redistributed products (provide website if applicable). Attach as an appendix (or appendices), as necessary.
- 9 Identify the exact data needed and the time span required. Requests that are general in nature cannot be filled until the exact needs are known.
- 10 Define any special requirements peculiar to the request or the use of the data, its accuracy, and so forth.
- 11 Specify mailing address, email address or other information that indicates the best method of delivery for the data requested.
- 12 Enter the date you would like to start receiving the data you are requesting.
- 13 For recurring data request, enter a stop date. Maximum length of request cannot exceed one year without resubmitting a new ODR. Leave this section blank if this is a one-time request.
- 14 Redistribution policy. Requestors need to check the box acknowledging the redistribution policy for the data requested.
- 15 For requesting agencies that DO NOT have a standing agreement with USSTRATCOM, a pen signature is required (a scanned copy needs to be submitted for processing). For requesting agencies that have a standing agreement with USSTRATCOM, are U.S. government entities, or are contracted by a U.S. government entity, enter ///SIGNED/// followed by the full name of the requestor.
- 16-19 The DoD or Federal government-contracting officer verifies the civilian contractor's need for the data. If the data is classified, the company's need-to-know is stated in writing. The contracting officer is the point of contact for questions on the data request.
- 20-21 Type the name and grade of the approving contracting officer. Enter ///SIGNED/// for electronic submissions.
- 22-26 For JFCC SPACE internal use only.

**NOTE:** **All users are required to revalidate their need for orbital data on a yearly basis.**

**U.S. government and/or U.S. government contractors:** To submit a new ODR, or to revalidate your need for orbital data, send a completed ODR to [jspoc.orbitaldatarequest@us.af.mil](mailto:jspoc.orbitaldatarequest@us.af.mil) or fax (as a contingency) to JFCC SPACE/J95 at DSN 276-4057 or commercial (805) 606-4057. Questions concerning ODR approval should be directed to [jspoc.orbitaldatarequest@us.af.mil](mailto:jspoc.orbitaldatarequest@us.af.mil). Classified requests may be sent to [odr@afspc.af.smil.mil](mailto:odr@afspc.af.smil.mil).

**All other requests** not associated with or approved by a U.S. government contract monitor are coordinated through JFCC SPACE/J3 (Operations Directorate). Requests should be submitted to [odr@space-track.org](mailto:odr@space-track.org). Questions concerning ODR approval should be directed to [odr@space-track.org](mailto:odr@space-track.org).
